## What has been happening this week?

This week, the focus has been on Compassion, seeing the children engage in three aspects of this important value. Anti-Bullying week was launched on Monday in assembly and the children engaged in follow up learning, exploring the difference between 'banter' and bullying, identifying the features that make someone a good friend and ensuring everyone knows where they can go to 'make a noise' about bullying.

Rosie from year 5 led a brilliant assembly on Tuesday which was World Diabetes Awareness day. We all supported Rosie by wearing blue or a Onesie and she taught us all about diabetes and what she needs to stay healthy. Thank you Rosie, it was fantastic.

Today is Children In Need Day. Thank you for all your donations via WEDUC for this charity which supports so many great initiatives around the UK. The children learned about these charities in an assembly on Wednesday and they looked great in their spots today!

Thank you for coming to look at all the great learning the children have done. We hope you can see the progress they are making in their books. Please see below for the Parent's Evening information to discuss your child's progress with the class teacher.

## What is happening next week?
