Celebrate Clean Air Day 2023

Clean Air Day takes place on 15 June, focusing attention on air pollution and what we can do to reduce it. The Mayor is also looking for new poster designs to showcase why healthy air is so vital for our city and celebrate the steps we are all taking to lead the way in cleaning the air for all Londoners. The Clean Air Day challenge is open to ages 4 to 14, with the chance to have artworks featured as part of the London-wide celebration. [Find out more](#)

The winning designs will be featured in the Mayor of London's Clean Air Day celebration, designs could be featured on posters across London or on the Mayor of London's social media channels.

'Take' event this summer half term!

Lewisham are organising a 'Take' Event for children in Lewisham. The event is like a 'Give and Take' event but in this instance, you do not need to donate anything. There will be lots of items to choose from including new and excellent quality preloved toys and books. It will take place on **Thursday 1 June 1-4 pm at Athelney Primary School Hall.**

Some restrictions may apply to ensure that all children and visitors are able to leave with something. There is no need to book, just turn up!

Rights Respecting at Brindishe Schools – Article of the week

Article 6 (life, survival and development)

Every child has the right to life. Governments must do all they can to ensure that children survive and develop to their full potential.

At Brindishe Schools we always talk to children about their needs and their wants and help us children understand the difference. Do they actually need a TV? Can they survive without fast food?

What are all the things that we need to survive and to develop?

- Good health – physical and mental
- Education
- Healthy food
- Clean water
- Somewhere safe to live
- People to look after you
- A name and an identity so you can be registered for healthcare and education
- Protection so you are safe from abuse and neglect
- A good standard of living
- Time and space to relax and play
- Knowledge of your rights

Children weren't always protected by the Convention – [watch this video](#) to find out what life was like for many children in the UK during the Victorian era. Discuss which rights now help children to survive and develop to their full potential?

Anime TV

Anime refers to animations originating from Japan. Due to its cartoon style, your child might inadvertently watch it when it isn't appropriate for their age.

Some Anime contains adult themes. It is important to check age ratings so a starting point could be Common Sense Media.

They have created a list of some Anime TV with reviews/age ratings:
