Dear parents, carers, staff, governors and friends,

Parent / carers at Brindishe: your views please

As we approach the last half term of this year each of our Brindishe Schools are beginning to put together their plans for the next three years.

I know that in each school there will be quite a few changes, not least in the leadership teams as I leave Brindishe and Rachel Waite takes over as the new Executive Head and the Federated Governing Body appoint new governors for Brindishe in September.

Last term we surveyed the views of Brindishe children and staff and we have been discussing these within our teams and using them to help us decide our next steps.

It is now your turn to let us have your views and we invite you to click

https://www.surveymonkey.co.uk/r/R_LJG3JF

and complete the parent / carer survey.

If you would prefer to give us your views about your child's school in another way (email, phone or in person) please do as we are always ready to hear about the things we do well and the things in which you think we need to improve.

If you wish to email please send your views to me on

vickipaterson@brindisheschools.org

or to your child's headteacher Gerlinde Achenbach on

headteacher@brindishemanor.lewisham.sch.uk

or to our current Chair of Governors

spyroselia@brindisheschools.org

The survey will stay open until **8 June**. We look forward to hearing from you.

Best wishes

Dame Vicki Paterson

This week at Brindishe Manor

KS2 SATs

We are very, very proud of our fabulous Y6 children who have worked so hard all year and completed their SATs tests this week. They really deserve to do well. Today they have relaxed and celebrated their hard work outside school. We look forward to sharing their success with you later this term.

Thank you to the Y6 staff who have supported the children so well across the year – Mark Tiller, Mark Maguire, Liz Newman, Marva Hudson and Lauren Blackie - and to every member of staff who came early each morning to help prepare a special breakfast for the Y6 children to enjoy before taking the tests. What a team!

Hither Green Festival

Our Y1 choir performed at the festival concert hosted by Brindishe Green school last night. The children were delightful, singing with such energy and enjoyment. Thank you to everyone who came along to support the choir and to Helen Groothues and Ciarra Willard who lead the choir each week.

Fantastic attendance

Ruby 100%

Opal 99.3%!

Well done to these classes.

Rights Respecting School

Each week in the newsletter, we will share one or two of the 54 articles that link with our learning in school or a particular theme for the week. This week we are focusing on

Article 3 (best interests of the child). The best interests of the child must be a top priority in all decisions and actions that affect children.

...and the best way you can help your child is to bring them to school every single day.

Why is good attendance so important?

We know there is a link between poor attendance at school and lower academic achievement, yet every school year we receive requests for absence in term time for reasons that are not **exceptional**.

New learning takes place every day and children need to be there in order to keep up. It is very difficult for a child to keep up with their peers when they regularly miss days or are absent for a longer period of time.

We do monitor absence patterns very closely and we follow up on all absences. Any child whose attendance is below 90% is considered by the Government to be a **persistent absentee** and their attendance is referred to the local authority Education Welfare Officer.

Schools are in a position to issue fines which could be as much as £1,000. School terms account for only 39 weeks leaving **13 whole weeks of holiday each year**. Thank you to all parents and carers who ensure their children are at school every day that they are well in term time.
