

Time for change ? Now is the time – to apply for this exciting post, your next challenge

Executive Head of The Brindishe Federation of Schools – from September 2018

Salary: competitive and depending upon experience but within the range of Leadership point 26 and Leadership point 32 (group 6)

The Brindishe Federation was formed when three ofsted-rated outstanding schools joined together in partnership to form a cohesive, highly successful and close learning community. With 1500 very diverse children and 200+ staff our 1,2 and 3 form entry schools provide a creative, modern and dynamic education for children aged 3-11 years in Lewisham SE London.

The current post holder, Dame Vicki Paterson is ready for her next venture and we are looking for someone who can maintain and build on her successes and continue to take these wonderful, state maintained, community primary schools forward.

The schools are buoyant, viable, oversubscribed and outward looking but there are no laurels to rest on and there is always more to do. Your job would be to make sure that every Brindishe child continues to get the best that can be provided by a highly motivated, engaged, enthusiastic and talented staff. Each school has its own headteacher to whom you will provide challenge backed by support, advice, wisdom and experience. There is one, cohesive, ably-led Federation Governing Body.

As Executive Head your remit will be to uphold the strategic vision, shape the strategies, secure the necessary resources, make plans live, measure success, hold to account, share out the praise, and of course take the blame - recognising that the buck stops with you.

To find out more go to our schools' website www.brindisheschools.org.

Then download a copy of the job description from here (LINK)

Come and visit if you can. Have an extended conversation with the existing Executive Head or the Chair of Governors if you wish. Find out as much as you can about the job and our schools and then let's see if you are the one.

Deadline for applying is midday on Wednesday **22 November 2017**

Interviews are likely to be on Tuesday **5 December 2017**

To arrange visit or have a conversation ring Vicki Paterson on 07970646062 or email your number to Spyros Elia our Chair of Governors on spyroselia@brindisheschools.org
