

Brindishe Lee Newsletter

Headteacher: Ms Maxine Sebire

Dear families, governors, staff and friends,

Chair of Governors Message:

Once again we come to the end of a term which has presented challenges, but it's been gratifying to see how well everyone has risen to those challenges in order to do their very best for the children.

Over the past three months I've visited all three of our schools several times, and it's so lovely to see the children back in their classrooms, into the swing of learning, playing with their friends and generally being children! Obviously the continuing presence of Covid has not made things easy, but overall the whole community has pulled together to keep the schools open and a hive of quality teaching and learning. On behalf of the Brindishe Federation Governing Body I'd like to say a huge thank you to everyone from parents and carers to staff and the children themselves for all your efforts.

This term we've also seen the start of our new lunchtime dining, which seems to be a huge success - extra cucumbers had to be ordered, I hear! And it's been so wonderful to see the return of visits, visitors and events - they all enrich the children's experiences and inspire them to see and think beyond the limits of everyday life.

While in-school Christmas celebrations have had to be more limited than usual, I do hope that you all manage to have the festive period you have planned. Here's to a healthy, happy and peaceful 2022.

Liz Murphy.

Executive Head Message:

The autumn term has drawn to a close and what a few months it has been. From September, we have been so impressed by the way all our children have handled new challenges: a new year group, a new teacher, new learning, trips out....the list goes on. We are confident this will continue and look forward to seeing the children make further steps in their learning and developing as young people as we begin 2022.

I would also like to express my thanks to all parents and carers who have continued to support both the school and your child/ren by ensuring learning is supported at home; bringing them to school ready, prepared and smiling and saying good morning as they walk through the gate. Thank you.

Each school has also been lucky enough to have a fantastic group of parents/carers, who, even in these difficult times have continued to fund raise to ensure each school can benefit from some amazing extras including new playground markings, computing equipment and much more. A huge thanks from us all.

And finally, the staff. My heartfelt thanks goes to each and every member of the Brindishe Federation team, I couldn't feel more proud of being able to work with each and every one of you. Your commitment, ability to change at very short notice and investment to the lives of our children is why you are all just fantastic. Thank you.

On behalf of the Federation, I wish you all a peaceful holiday and look forward to seeing you in the new year.

Kind regards,

Rachel Waite.

Message from the Head of School:

Following on from Liz and Rachel's comments above, I would also like to express my thanks to all of our families for their support, kind words and patience this term with new systems, procedures and ways of working. Your children have all been incredibly motivated, positive and happy to be at school. I am sure you will join me in saying a huge 'thank you' to all our staff for their continued hard work, dedication and determination to ensure that the children get the most out of every day. Once again, as a team thank you all for your continued support during the term.

Wishing you all a happy, healthy and safe holiday.

Best wishes,

Ms Maxine Sebire & the Brindishe Lee Team.

Covid Information - Close Contact of a Positive Case

Government Guidance from Tuesday 14th December states everyone over the age of 5, identified as a close contact of someone with COVID-19, should take a lateral flow(LFD) test every day for 7 days, instead of self-isolating. Daily testing by close contacts will help to slow the spread of COVID-19. If you or your child shows any COVID-19 symptoms, please take a PCR test and not return to school until they have had a negative result. Thank you for your support with this matter.

Please refer to the letter attached to this newsletter from the Director of Public Health for further guidance.

Reading

Enjoyment of books is the most important factor when learning to read. Sharing books with adults helps children with learning to read. For some children, learning to read will seem to happen easily and quickly. For others, more time and support will be needed. Whatever the case, your help will be a powerful influence over your child's development as a reader. For all children praise, encouragement, reassurance and pleasure are the vital factors towards becoming a confident reader. Listed below are some top tips for reading with your child as well as links to online resources. Happy reading over the festive holiday!

Top Tips:

- Make reading a time of pleasure for you both
- Start sharing books even before your child knows which way up to hold a book
- Learn to accept your child's efforts with praise
- Find somewhere quiet to read
- Read books your child loves, avoid setting up a 'test situation'
- Focus on the things which are right, not on mistakes • Keep reading to children even after they have learned to read independently
- Stop when they have had enough – it's not a punishment!
