Brindishe
Lee

Friday 27 April 2018

Dear families, staff, governors and friends

This week at Brindishe Lee ...

A very busy week with some children out and about. Year 3 visited Tate Modern on Tuesday and some children from Y5 played in a Lewisham cricket tournament on Thursday. Year 3 had a very interesting time looking at the work of Joan Jonas at the gallery, they took part in workshops and were even given the opportunity to create a work of art themselves using 2000 swimming 'noodles'! Our cricketers represented us very well. They really played well as a team and got through to the semi finals. Well done to you all!

A message from Miss Scallon ...

Last Friday, Year 4 children from Brindishe Green and Brindishe Manor joined six of our Year 4 children from both Willow and Cherry for a 'Game 24' tournament. The Brindishe Lee children represented themselves extremely well and solved some tricky 24 problems in record time. It was an exciting opportunity to work alongside other children from across the federation and it was wonderful to see our children applying their mathematical skills to this problem solving game!

Happy Birthday!

You may have seen some children sharing a variety of birthday treats near the entrance gate to school and not by their classrooms. This is in response to a number of concerns regarding allergies of children in school.

It is easily forgotten that a box of delights, such as 'Celebrations' might include a miniature 'Snickers' bar which, undoubtedly, causes alarm for any adult with a child who has a nut allergy.

Acting on advice, we encourage children to share their treats with friends once each child's adult is present. This means we are now asking children

to stand at the entrance to the school if they wish to share their birthday celebration with their class friends.

We thank you all very much for supporting us in this decision which safeguards all children in Brindishe Lee.
